# New Britain Avenue Walk Audit 1, Summer 2023

Our goal: Improve walk-bike-transit for all  
Mark the page where you see problem spots

Take photos and tag us on social media  
or email [BikeWestHartfordInc@gmail.com](mailto:BikeWestHartfordInc@gmail.com)  
More audits to come heading east & west

## Questions to consider

Write notes below & mark problems on your map

### Traffic Safety

1. Are drivers moving too fast?
2. Is the street too wide?
3. Does the street have too many lanes?
4. Is the street designed to promote safety for all?

### Walking

5. Do you feel safe walking here?
6. Are sidewalks accessible, continuous, wide, and in good repair?
7. Does crossing the street feel safe?
8. Are crosswalks located where people need them?
9. Do stoplights have walk signals to cross safely?
10. Do drivers stop for people crossing the street?

### Biking

11. Would you feel safe biking on the street here?
12. Do bikers have a safe place to ride?
13. Do drivers make room for bike riders?
14. Can bike riders safely make turns (both right and left)?

### Transit

15. Would you feel safe standing at a transit stop here?
16. Are transit stops located where people need them?
17. Are transit stops sheltered from the weather?
18. Do transit services run frequently and reliably?
